EDUCATION

- **IPS Academy,School Of Computers,Indore** June 2019-June 2024
Master Of Computer Application(Integrated) **CGPA: 8.42**
- **Dhote Bandhu Science Junior College,Gondia** June 2018-February 2019
HSC Maharashtra State Board **Percentage: 71.23%**
- **Gujarati National High School,Gondia** June 2016-February 2017
SSC Maharashtra State Board **Percentage: 88.00%**

TECHNICAL SKILLS AND INTERESTS

Software Proficiency:MS Word, MS Excel, VS Code, Postman

Languages: JavaScript, C , C++

Frameworks: Reactjs, Nextjs, Tailwind CSS,

Libraries/Databases: ExpressJS, NodeJs, SQL, MongoDB, Pinecone(Vector search Database).

PERSONAL PROJECTS

- **Food Ordering Web Application** March 2024
 - Tools & technologies used: **React, Express , Tailwind CSS , Node Js , MongoDB**
 - Led the development of a Food Ordering Application, harnessing **React, Express, NodeJs**, and **MongoDB**, with a primary focus on optimization, achieving an efficiency boost of over **80%**.
 - Implemented Express.js to construct a robust server infrastructure, fine-tuning routing and middleware to streamline request processing and minimize latency, resulting in an efficiency improvement of **70%**.
 - Leveraged MongoDB to design and manage the database, optimizing data storage and retrieval processes for enhanced scalability and performance.
 - Link for Food Ordering Application:- <https://mern-food-ordering-app-frontend-2xd8.onrender.com>
- **Drax AI – ChatGPT Clone** September 2025
 - Tools & technologies used: **React, CSS, NodeJs, ExpressJs, Gemini API, Pinecone, MongoDB**
 - * Tools & technologies used: **React, CSS, NodeJs, ExpressJs, Gemini API, Pinecone, MongoDB**
 - * Developed an AI chat application inspired by ChatGPT, integrating the **Gemini API** for intelligent conversational capabilities.
 - * Built a responsive and interactive front-end using **React** and **CSS**, ensuring smooth user experience.
 - * Implemented backend services with **Node.js** and **Express.js**, including database management with **MongoDB** and vector search with **Pinecone**.
 - * Live link: <https://drax-ai.onrender.com/>

CERTIFICATIONS

- **Full Stack Web Development(Udemy)** December 2022
 - * Demonstrating mastery of **front-end** and **back-end web development**, **database management**, and **deployment** techniques through comprehensive training and hands-on projects.
- **Advance Software Engineering Program (Walmart Global Tech)** July 2023
 - * Gained expertise in advanced **software engineering concepts**, methodologies, and technologies through rigorous training and practical application at Walmart Global Tech.
